What's going on now?

The Cannabis Community was loud and clear on the difficulties of entering the legal market. After 3 years of legalization, the market does not reflect the votership in Massachusetts.

We do not have all the answers, **this is a solution** to some of the numerous complaints.

#1milliontees

We plan to sell 1 million hemp tees, to create awareness while we raise money to support local efforts.

This Campaign will lead into the 420 Twenty20 Event series during the month of April.
